## CRUISING ADVENTURES

# WHITSUNDAYS NATIONAL PARK

*Whitehaven is one of the 'must see' icons of the Whitsundays.*

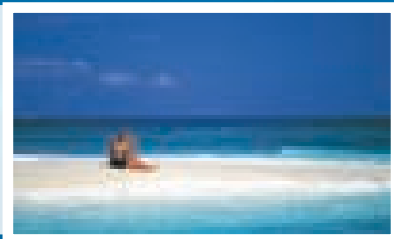

*Lying at the heart of the Great Barrier Reef and just off the Queensland coast of Australia, the Whitsunday Islands offer one of the world's most spectacular aquatic playgrounds.*

*The Whitsundays Marine Park encompasses 74 tropical islands rising from pristine turquoise waters - home to an abundance of incredible marine and wild life.*

*In this brochure we offer several different cruises, all featuring Whitehaven, island visits and the corals and fish life of the 'inner reef'.*

## WHITEHAVEN BEACH

Located on Whitsunday Island is the magnificent Whitehaven Beach – seven kilometres of dazzling, pure white silica sand. Take a stroll along the beach, swim or just relax. It has been ranked as one of the top ten beaches in the world and is a magical place that must be seen.

## HOOK ISLAND

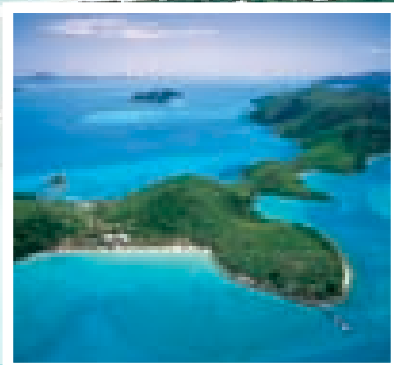

Hook Island is a rugged island with breathtaking lookouts, walking tracks and beautiful beaches. With the semi-sub trip, the Underwater Observatory and excellent snorkelling all on offer this is the place to enjoy the fish life and coral of the 'inner reef'. For the truly spectacular reef experience you need to go to the outer reef but Hook offers one of the best sites closer in.

## LONG ISLAND

When you dream of an island holiday, this is what you're dreaming of - hammocks swinging under palm trees, golden sandy beaches, gentle waves lapping at the shore and 2,500 acres of tropical rainforest to explore.

Long Island is a superb destination for a day visit as you can enjoy the relaxed atmosphere and great facilities of the Resort. Enjoy hill top views, bush wildlife and palm fringed beaches. Or you can take to the water and explore the coral reef only 150 metres off shore.

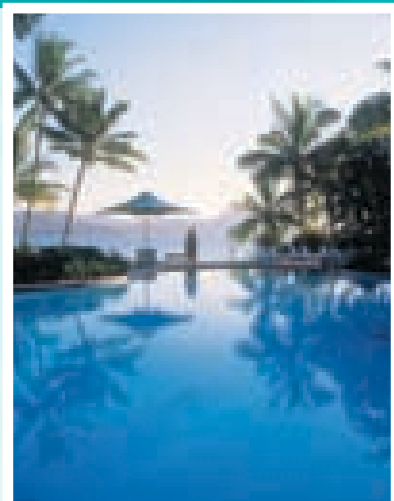

## DAYDREAM ISLAND RESORT AND SPA

Daydream Island Resort and Spa, one of the premier resorts in the Whitsunday Islands, invites you to come and enjoy the many attractions of this fantastic island.

Daydream Village at the southern end of the island has been especially developed with day visitors in mind. Set around the swimming pool is a bakery, children's playground, souvenir boutique and an awesome 19 hole mini-golf course. Visit the fantastic 'Living Reef' Coral Lagoons filled with colourful coral, fish life, stingrays and sharks.

Relax by the pool, take a swim, stroll around Lovers Cove or see wallabies and endless bird-life on the rainforest walk.
