The Whitsundays

WHO ARE WE?

- Cruise Whitsundays is an innovative, modern company which is part of the MTH group who have been involved in marine tourism operations in New Zealand and Fiji for over 20 years.
- The company has won numerous awards and accolades for the quality of their operations and service. All that experience has been brought to the Whitsundays to make us the region's premier operator.
- We are fussy! All our crew and staff have been especially picked for their personality and skills. Our rigorous inhouse training ensures that you receive great service. They are all committed to our high standards and making your day out an amazing experience.

THE REGION

Lying at the heart of the Great Barrier Reef and just off the Queensland coast of Australia, the Whitsunday Islands are one of the world's most spectacular aquatic playgrounds. The

Whitsundays encompasses 74 tropical islands rising from pristine turquoise waters, hosting an abundance of incredible marine and wild life. The islands are bordered by the majestic mountains of the Conway National Park on one side, the famous Great Barrier Reef on the other and surrounded by the waters of the Coral Sea. Cruise Whitsundays is based at Airlie Beach – the gateway to the Whitsundays.

THE GREAT BARRIER REEF

The Great Barrier Reef is truly one of the great wonders of the natural world that is a "must see". It is the largest reef in the world stretching some 2,300 kms along the coast of Queensland and is a World Heritage Area. Knuckle Reef Lagoon is one of the most outstanding sites within the Barrier Reef and is visited daily by Cruise Whitsundays. Scientific surveys report nearly 200 different types of fish and over 150 types of coral in the immediate area of our pontoon. Nowhere will you experience the wonders of the reef better than here with Cruise Whitsundays at Knuckle Reef Lagoon.

GETTING TO THE WHITSUNDAYS

Air

The Whitsundays are serviced by two domestic airports, Hamilton Island Airport and Whitsunday Coast Airport on the mainland at Proserpine. There are flights from all major Australian cities. Airlines servicing the Whitsundays are: Jetstar - www.jetstar.com.au Virgin Blue - www.virginblue.com.au Qantas - www.qantas.com.au

Road

The Bruce Highway runs from Brisbane to Cairns. The turn off is 1 km north of Proserpine and it is a 20 km drive into Airlie Beach.

Rail

Queensland Rail's 'Sunlander' and 'Tilt Train' services depart Brisbane and Cairns for Proserpine several times weekly.

Coach/Bus

There are several daily services through Airlie Beach that run northbound from Brisbane and southbound from Cairns.

Great Barrier Reef Adventures

Cruise on board 'Seaflight' the Whitsundays' premier day cruise vessel to Knuckle Reef, acclaimed as the region's most spectacular Great Barrier Reef site. Explore the underwater wonderland and be held in awe by the magnificent corals and abundance of fish and other marine life. There's even a good chance you'll see our friendly mascot – the turtle.

Our pontoon is the newest and most innovative design. It is spacious with a choice of areas to relax and a great range of activities. There is undercover seating and tables, sun decks for topping up the tan, freshwater showers, change rooms and you have full access to the air conditioned comfort of 'Seaflight' alongside the pontoon. It features Queensland's largest and most spectacular underwater viewing chamber (you'll feel like you are in the water with the fish) and an awesome waterslide - the only one on the Great Barrier Reef.

Located inside Knuckle Reef Lagoon the pontoon is ideally situated in shallower waters with protection from the surrounding sea conditions. It has its own ecosystem with magnificent corals and a diversity of marine life. It provides a unique world for you to explore - be it by Subsea Adventure, glass bottom boat, snorkelling or diving.

All this sea air makes you hungry! Throughout the day we'll feed you up with morning and afternoon tea and a sumptuous buffet lunch prepared by our on board chef.

So if you want to travel in style and experience the wonders of the Great Barrier Reef at its best then 'Cruise Whitsundays'! We look forward to welcoming you aboard.

FAST, SEAMLESS AND PERSONALISED TRANSFER SERVICE FROM BOTH HAMILTON ISLAND AND WHITSUNDAY COAST (PROSERPINE) AIRPORTS TO YOUR RESORT

▶ HAMILTON ISLAND AIRPORT ▶ DAYDREAM ▶ LONG ▶ AIRLIE BEACH ▶ WHITSUNDAY COAST AIRPORT

Cruise Whitsundays operates 'Resort Connections' an island resort transfer service in the Whitsundays. This service connects Hamilton Island Airport to Daydream Island Resort and Spa, Long Island and Airlie Beach on the mainland.

Cruise Whitsundays also operates a convenient connecting service from Whitsunday Coast Airport (Proserpine) through to Daydream Island and Long Island. The service provides a seamless, hassle free and fast connection for arriving and departing guests with four modern, purpose built vessels.

HAMILTON ISLAND AIRPORT

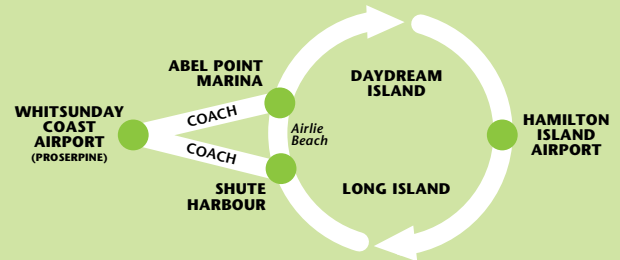

The ferries operate directly from the Airport pontoon just 100 metres from the arrivals hall. There is a ferry to meet most flights with a departure as close as possible to touchdown (generally within 30-45 minutes). Passengers should go to the Cruise Whitsundays desk in the arrival concourse. Departing guests similarly arrive directly at the Airport on a ferry timed to suit flight departures.

WHITSUNDAY COAST AIRPORT (PROSERPINE)

This route to Daydream and Long Island is just as easy as via Hamilton Island. We have a dedicated coach with a meet and greet service at the Airport. As soon as all passengers have boarded, the coach will go directly to Shute Harbour/Abel Point Marina, Airlie Beach where a ferry departure is timed for as good a Resort connection as possible.

Departing guests similarly are met from the ferry at Shute Harbour/Abel Point Marina, Airlie Beach by a dedicated coach and transferred directly to the Airport. Services are timed to suit flight departures. The coach sector will be provided by our good friends at 'Whitsunday Shuttle'.
