Whitsunday Islands & Whitehaven Beach

HALF DAY CRUISE

Explore the more remote beautiful bays, islands and beaches and see the very best of the Whitsunday Islands National Park on this fully guided half day cruise.

Cruise via Daydream Island to our first wilderness area, beautiful Cid Harbour - one of the most idyllic areas of the Whitsundays between Cid and Whitsunday Islands with calm waters, beautiful coastline and soaring peaks. Cruise through these waters, home to an amazing array of wildlife – turtles, sea eagles and you may even see the strange elusive dugong.

Leaving Cid we'll cruise past a number of other National Park islands and famous Hamilton Island enroute to the southern end of Whitehaven Beach.

OK listen... I found him first!

Whitehaven Beach is a definite “must-see” in the Whitsundays. The crystal clear aqua waters and pristine white silica sand stretch for over seven kilometres along Whitsunday Island, the largest of the 74 islands in the Whitsundays. It is Mother Nature at her best - the most photographed beach in Australia and named “Queensland’s Most Beautiful Beach”. Wander along the beach to your own secluded stretch, laze on the beach or cool off in the azure waters.

Our cruise around Whitsunday Island continues on through Hook Passage, a rugged narrow stretch of water surrounded by some of the island’s tallest peaks.

Your day cruise vessel has expansive seating areas inside and out. Your friendly skipper will provide an informative commentary on the history and natural wonders of the area. Sit back, breathe in the sea air, sip a wine or beer and marvel at the 74 Island Wonders of the Whitsundays.
